1. Transfer of Players

- 1.1. The association will keep a record of movement of players from one club to another;
- 1.2. The association shall oversee all transfers and advise where such transfers are not conducted according to the rules and regulations in force.
- 1.3. Player seeking transfer will need to apply to QFFA on official QFFA Release Form, provided by the QFFA Secretary.
- 1.4. Upon receiving the Release Form, QFFA Secretary will then write to the concerned Club and advise of the Players intention for a transfer, and seek advice if Club has any objection/dispute regarding the transfer.
- 1.5. The Secretary will seek advice from Club if a Transfer Fee of up to \$100.00 will be applied by the Club. QFFA will obtain the Fee from the Player and pay the Club.
- 1.6. If no dispute is registered by Club within 7 days after advice by QFFA Secretary, then the Player will be granted release by QFFA.
- 1.7. Clubs will need to provide clear documentary evidence if a dispute is registered regarding transfer. QFFA will then advise the Player and the Club that a dispute has been registered, and will organise a Disputes Hearing to solve the matter.
- 1.8. Player will need to nominate the Club they seek to register with on the Release Form. A Player cannot register for any other Club (including last Club registered) apart from the Club nominated on the Release Form once release is approved by QFFA.
- 1.9. An inter-state or overseas player is not required to obtain a release from the respective club as we have no jurisdiction over the player.
- 1.10. Once a player is registered for a particular Club, and his name has been listed and signed on Playing Sheet for a particular game, he is no longer eligible to register and play for a different Club for that season. He may however seek his release if he chooses to do so.
- 1.11. Players are to seek their release from respective clubs 14 clear days from commencement of any QFFA tournament – please refer to sub-clause 10.6 above with regards to any release disputes.
